## Not Filed Municipalities Fiscal Years Ending 2024

The Fiscal Stress Monitoring System (FSMS) and resulting fiscal stress designations rely on data from annual financial reports submitted by local governments to the Office of the State Comptroller.

This list includes municipalities for the 2024 fiscal year, updated to reflect municipalities with a December 31, 2024 fiscal year end (in bold). The municipalities noted did not file their annual financial report as of the date their score was to be calculated, and therefore a fiscal stress score could not be calculated.

**Note:** Bold municipalities are calendar fiscal year end entities that were added to this list in September 2025.  
**Note:** Gray shading indicates the entity has never filed in time to receive a FSMS score.  
**Note:** Additional shading (Yellow, Orange, Red) indicates the entity was in a stress designation when they last filed in time to receive a score.
