

Fiscal Stress Monitoring System[®]

Not Filed and Inconclusive Municipalities Fiscal Years Ending 2024

The Fiscal Stress Monitoring System (FSMS) and resulting fiscal stress designations rely on data from annual financial reports submitted by local governments to the Office of the State Comptroller.

This list includes non-calendar fiscal year end municipalities. The municipalities noted did not file their annual financial report or reported data that was inconclusive for FSMS purposes as of the date their score was to be calculated, and therefore a fiscal stress score could not be calculated.
