Fiscal Stress Monitoring System®

Not Filed and Inconclusive Municipalities Fiscal Years Ending 2014 September 2015

The Fiscal Stress Monitoring System (FSMS) and resulting fiscal stress designations rely on data from annual financial reports submitted by local governments to the Office of the State Comptroller.

This list includes municipalities with a 2014 fiscal year end. The municipalities noted did not file their annual financial report or reported data that was inconclusive for FSMS purposes as of the date their score was to be calculated, and therefore a fiscal stress score could not be calculated.
