

Fiscal Stress Monitoring System®

Not Filed and Inconclusive Municipalities Fiscal Years Ending 2023

The Fiscal Stress Monitoring System (FSMS) and resulting fiscal stress designations rely on data from the Annual Financial Reports (AFR) required to be submitted by each local government to the Office of the State Comptroller.

This list includes municipalities for the 2023 fiscal year that did not meet the statutory deadline for filing their AFR. The municipalities noted did not file or reported data that was inconclusive (entity filed financial data, but still had significant unresolved issues as of the snapshot date) as of the date their FSMS score was calculated, and therefore did not receive a fiscal stress score or designation for fiscal year 2023.
