STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under

this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination of disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt

from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. 26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: https://ogs.ny.gov/iran-divestment-act-2012

- Harassment (Including Sexual Harassment), and
- Minority/Women-Owned Business Enterprise ("M/WBE") Procurements.

In keeping with the Comptroller's Executive Orders, applicable federal, State and local laws, rules, regulations, and the requirements as set forth under the Article, OSC has developed compliance requirements, forms, and procedures to ensure that (i) all contractors (as defined under §310[3] (to include those who submit bids/proposals in an effort to be selected for contract award [hereinafter "Proposers"] as well as those successful bidders/proposers with whom OSC enters into State Contracts, as defined in §310[13] [hereinafter "Contractors"], as well as proposed or actual "Subcontractors", as defined in §310[14]) shall comply with requirements to ensure Equal Employment Opportunities ("EEO") for minority group members and women, and (ii) there are meaningful participation opportunities for certified M/WBEs in the OSC procurement process.

It is the expectation of OSC and the responsibility of all proposers and contractors participating in and/or selected for procurement opportunities with OSC that such proposers and contractors shall fulfill their obligations to comply with applicable federal, State, and local requirements concerning EEO and opportunities for M/WBEs, including but not limited to the Article and its implementing regulations.

I. <u>EEO Requirements</u>

A. Prior to the Award of a State Contract

In addition to the requirements stated in Appendix A, Clause 12 (*Equal Employment Opportunities for Minorities and Women*), and to ensure complete compliance with such requirements (and with the Article and the Regulations adopted pursuant thereto), as a precondition to being selected for contract award and entering into a valid and binding State Contract, the Proposer shall provide with its bid/proposal:

- 1. An **EEO Policy Statement**, as described in Appendix A, Clause 12.
- 2. Form AC 3239-A (Proposer's EEO Staffing Plan of Anticipated Workforce), which should document:
 - a. The workforce to be utilized on the State Contract; or
 - b. Where the workforce to be utilized in the performance of the State Contract cannot be separated out from the Proposer's and/or proposed Subcontractor's total work force (for example, certain commodities contracts), the Proposer's and/or proposed Subcontractor's total workforce including apprentices, broken down by specified ethnic background, gender, and federal occupational categories or other appropriate categories specified by OSC.

A Proposer's failure to submit an EEO Policy Statement and **Form AC 3239-A – Proposer's EEO Staffing Plan of Anticipated Workforce** shall result in the rejection of the Proposer's bid/proposal, unless the Proposer provides OSC with a reasonable justification in writing for such failure (e.g., the failure to submit a staffing plan where a Proposer has a work force of 10 employees or less), or makes a commitment to submit an EEO Policy Statement and an EEO Staffing Plan of Anticipated Workforce within the time frame specified in writing by OSC.

If, after scoring, a Proposer is selected for award, before that award is completed (e.g., during contract negotiations), OSC will conduct a review of the substance of the EEO Policy Statement and the EEO Staffing Plan of Anticipated Workforce to determine whether the Proposer appears to be in compliance with Appendix A, Clause 12 and the Article, i.e., whether such documents demonstrate that the Proposer is committed to Equal Employment Opportunity. If, upon review, OSC comes to the conclusion that such commitment to EEO principles is lacking, OSC shall contact the Proposer and make every effort to resolve the deficiencies identified in the bid/proposal and to bring the substance of the bid/proposal into compliance with such requirements. Failure to correct such deficiency within a time frame specified by OSC may result in the rejection of the Proposer's bid/proposal.

B. After the Award of the State Contract

After OSC's award of a State Contract and during the performance of the State Contract, the Contractor shall periodically¹ submit to OSC:

- 1. Form AC 3239-B (Contractor's/Subcontractor's EEO Workforce Utilization Report), which should document:
 - The workforce to be utilized and, thereafter, actually utilized on the State Contract, broken down by specified ethnic background, gender, and federal occupational categories or other appropriate categories specified by OSC.

In addition to general compliance monitoring of State Contracts, OSC shall conduct in-depth compliance reviews on selected State Contracts during the course of the year, in accord with 5 NYCRR §143.4.

The Contractor's/Subcontractor's EEO Workforce Utilization Reports shall be reviewed as part of OSC's general compliance monitoring. If discrepancies exist between the EEO Staffing Plan of Anticipated Workforce submitted with a bid/proposal and the Contractor's/Subcontractor's EEO Workforce Utilization Reports, the Contractor/Subcontractor may be subject to an in-depth EEO compliance review.

If deficiencies are identified during OSC general contract compliance monitoring or during in-depth compliance reviews, OSC shall make every effort to resolve the deficiencies identified and to bring the Contractor/Subcontractor into compliance with such requirements.

If OSC is unsuccessful in its efforts, and upon review, the Deputy Comptroller for Human Resources and Administration at OSC agrees that the Contractor/Subcontractor is non-compliant, such Deputy Comptroller shall submit a written complaint to the New York State Department of Economic Development's Division of Minority and Women's Business Development ("DMWBD") regarding the Contractor's/Subcontractor's noncompliance and shall recommend to DMWBD that it review and attempt to resolve the noncompliance matter. Such Deputy Comptroller shall serve a copy of the complaint upon the Contractor/Subcontractor by personal service or certified mail, return receipt requested.

DMWBD shall attempt to resolve a noncompliance dispute. If a resolution of the noncompliance dispute is satisfactory to the parties, the parties shall so indicate by signing a document indicating that the matter has been resolved and stating the terms of the resolution. If a resolution is not possible, DMWBD shall take all appropriate actions under statute (Executive Law §316) and regulation (5 NYCRR §143.6).

II. <u>M/WBE Requirements</u>

It is the policy of the State of New York and of OSC that M/WBEs (as defined under §310[7] and [15] and as certified pursuant to 5 NYCRR Part 144) shall be given the opportunity for meaningful participation in

¹ If the workforce utilized in the performance of the contract can be separated out from the Contractor's and/or Subcontractor's total workforce, quarterly reports are required. If the workforce utilized in the performance of the contract cannot be separated out from the Contractor's and/or Subcontractor's total workforce, semi-annual reports are required.

the performance of State Contracts. Accordingly, **Proposers and Contractors shall make good faith efforts** to solicit active participation by M/WBEs identified in the Empire State Development ("ESD") directory of certified businesses², which can be viewed at: **www.nylovesmwbe.ny.gov/cf/search.cfm**.

For the purposes of this Appendix B, the question of whether a proposer or contractor has engaged in and documented "good faith efforts" to solicit active participation by M/WBEs in the performance of State Contracts shall be determined by OSC after a thorough consideration of the factors listed in 5 NYCRR §142.8.

The separate MBE and WBE participation goals established by OSC for this procurement are based on the overall availability of M/WBEs that have been certified to perform the specific scope of work identified in this procurement. For compliance purposes, <u>these goals should not be construed as rigid and</u> <u>inflexible quotas which must be met, but must be targets reasonably attainable by means of applying every good faith effort</u> to make all aspects of the entire M/WBE Program work.

A. Prior to the Award of a State Contract

Bidders/Proposers shall document and/or demonstrate in their bids/proposals every good faith effort to solicit active M/WBE participation at least equal to the participation goals established by OSC. The M/WBE utilization should be measured by comparing (in detail) the dollar value of the component services/deliverables/materials provided/supplied by M/WBEs to the total dollar value of the services/deliverables/materials required by the State Contract. The following must be submitted with the bid/proposal:

- 1. Form AC 3239-C (M/WBE Goal Requirements Certification of Good Faith Efforts), which should document:
 - Actions taken by the Bidder/Proposer to solicit M/WBEs as subcontractors and/or suppliers so that the Bidder/Proposer could achieve the overall prescribed M/WBE participation percentage goals set forth in the procurement in the performance of the contract to be awarded.
- 2. Form AC 3239-D (Proposer's M/WBE Utilization Plan), which should document:
 - Actions taken and/or to be taken to meet established goals and the time frames need to achieve results which could reasonably be expected by putting forth every good faith effort to achieve the overall prescribed M/WBE participation percentage (%) goals set forth in the procurement.
- 3. Form AC 3239-E (Proposer's M/WBE Subcontractor's/Supplier's Notice of Intent to Participate), which should document:
 - The names and signatures of certified MBEs and/or WBEs which have agreed to participate as Subcontractors if the Proposer is awarded the State Contract.

When M/WBE participation goals higher than 0% (zero percent) are included in OSC's procurement documents, a Proposer's failure to submit a completed Form AC 3239-C – M/WBE Goal Requirements – Certification of Good Faith Efforts, Form AC 3239-D – Proposer's M/WBE Utilization Plan, and a completed Form AC 3239-E – Proposer's M/WBE Subcontractor's/Supplier's Notice of Intent to Participate shall result in the rejection of the Proposer's bid/proposal, unless the Proposer provides OSC with a completed Form AC 3239-F (Request for Waiver) or makes a commitment to submit a completed Form AC 3239-F (Request for Waiver) or makes a commitment to submit a completed Form AC 3239-C – M/WBE Goal Requirements – Certification of Good Faith Efforts, Form AC 3239-D – Proposer's M/WBE Utilization Plan, and Form AC 3239-E – Proposer's M/WBE Subcontractor's/Suppliers Notice of Intent to Participate within the time frame specified in writing by OSC.

If, after scoring, a Proposer is selected for award, before that award is completed (e.g., during contract negotiations), the "Successful Proposer" will be required to submit **Form AC 3239-G (Contractor's M/WBE**

² All M/WBE firms to be utilized are required to be certified by ESD or must be in the process of obtaining certification from ESD. Should the Proposer/Contractor identify a minority-owned or woman-owned firm that is not currently certified by ESD, the Proposer/Contractor should request that the firm submit a certification application to OSC for eligibility determination. OSC will work with ESD to expedite the application; however, it is the responsibility of the Proposer/Contractor to ensure that a sufficient number of certified M/WBE firms have been identified in response to this procurement in order to facilitate full M/WBE participation.

Utilization Plan). OSC will review the substance of such Plan and within twenty (20) days from the receipt thereof issue a written notice of acceptance or deficiency.

A Successful Proposer must provide OSC with a written remedy in response to a written notice of deficiency within seven (7) business days of receipt or within a reasonable time frame as specified by OSC to correct the specific deficiency. Failure to correct a deficiency and/or demonstrate compliance can result in (i) the necessity of the Successful Proposer to submit to OSC a completed **Form AC 3239-F (Request for Waiver)**, or (ii) disqualification of the bid/proposal.

B. After the Award of the State Contract

After OSC's award of a State Contract and during the performance of the State Contract, except where OSC has granted the Contractor a total waiver³, the Contractor shall submit to the Program with every invoice:

1. Form AC 3239-H – M/WBE Expenditure Reports.

Failure to timely submit a **Form AC 3239-H – M/WBE Expenditure Reports** and/or other reports or information as requested may result in payments under the contract being delayed until such reports or other information have been received⁴.

OSC shall review the substance of the Contractor's **Form AC 3239-H – M/WBE Expenditure Reports** and shall be responsible for evaluating and determining whether the Contractor has demonstrated compliance with its previously approved **Form AC 3239-G – Contractor's M/WBE Utilization Plan**. In making such determination, OSC may review and investigate whether the participation goals are being achieved with certified minority- and women-owned business enterprises and whether information made available to OSC through monitoring, onsite inspections, progress meetings regarding work required by the State Contract, review of payrolls or other OSC actions provides evidence of compliance.

Where it appears that a Contractor cannot, after a good faith effort, comply with its previously approved **Form AC 3239-G – Contractor's M/WBE Utilization Plan**, such Contractor may submit a completed **Form AC 3239-F (Request for Waiver)** setting forth the reasons for such Contractor's inability to meet any or all of the participation requirements, together with an explanation and supporting documentation demonstrating the efforts undertaken by such Contractor to obtain the required M/WBE participation⁵.

If OSC determines that the Contractor has not demonstrated compliance with its previously approved **Form AC 3239-G – Contractor's M/WBE Utilization Plan** and has made no good faith effort to do so, OSC shall make every effort to resolve the deficiencies identified and to bring the Contractor into compliance with such requirements.

If OSC is unsuccessful in its efforts, and, upon review, the Deputy Comptroller for Human Resources and Administration agrees that the Contractor is non-compliant, OSC shall either:

(i) submit a written complaint to the New York State Department of Economic Development's Division of Minority and Women's Business Development ("DMWBD") regarding the Contractor's/Subcontractor's noncompliance and recommend to DMWBD that it review and attempt to resolve the noncompliance matter. Such Deputy Comptroller shall serve a copy of the complaint upon the Contractor/Subcontractor by personal service or certified mail, return receipt requested.

DMWBD shall attempt to resolve a noncompliance dispute. If a resolution of the noncompliance dispute is satisfactory to the parties, the parties shall so indicate by signing a document indicating

³ If OSC has granted a partial waiver to the Successful Proposer, prior to award OSC must have approved a Contractor's M/WBE Utilization Plan and a completed Contractor's M/WBE Subcontractor's/Supplier's Notice of Intent to Participate, and after award the Contractor must still submit the Contractor's Quality Assurance Report/Checklist.

⁴ Contractors will be requested to provide additional compliance reports and information (i) to verify payments made to M/WBEs, (ii) to verify M/WBE utilization and/or, (iii) as needed to evaluate any other aspect of Contractor compliance with the requirements set forth herein.

⁵ Requests for a partial or total waiver made subsequent to award of a State Contract may be made at any time during the term of the State Contract but prior to the submission of a request for final payment on that State Contract.

that the matter has been resolved and stating the terms of the resolution. If a resolution is not possible, DMWBD shall take all appropriate actions under statute (Executive Law §316) and regulation (5 NYCRR §142.12), including potential temporary debarment of the Contractor where the Contractor is found to have engaged in fraudulent or intentional misrepresentation or willful or intentional disregard of the M/WBE participation requirement in the State Contract; or

(ii) withhold payment from the Contractor as liquidated damages in accordance with 5 NYCRR §142.13, if the Deputy Comptroller for Human Resources and Administration determines that the Contractor has breached the State Contract by willfully and intentionally failing to comply with the MWBE participation goals set forth in the State Contract. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the State Contract.

Nothing herein shall diminish or supersede OSC's authority and responsibility to enforce the requirements of its contracts.

All Affirmative Action, EEO, and M/WBE compliance forms required to be submitted along with bids and/or proposals for OSC procurements are attached hereto. These forms are to be submitted without change to participation goals specified in the procurement documents.

By submitting a bid/proposal, the Proposer/Contractor agrees to provide to OSC access to all documentation, records, reports, facilities, etc., which OSC may deem necessary to determine Proposer/Contractor compliance.

After the award of a State Contract, submit two originals and two copies of all required reports, forms, information, and Requests for Waivers (if applicable) to OSC the following address:

New York State Office of the State Comptroller

Bureau of Financial Administration

110 State Street, Stop 13-2

Albany, NY 12236

Attn: Director of Financial Administration

M/WBE GOAL REQUIREMENTS - CERTIFICATION OF GOOD FAITH EFFORTS

Bidders/Proposers must document "good faith efforts" to provide meaningful participation by New York State Certified Minority and Women-Owned Business Enterprises ("M/WBE"s) as subcontractors and/or suppliers in the performance of this State Contract.

The undersigned hereby certifies under penalty of perjury that he/she has taken the following actions on behalf of the Bidder/Proposer to demonstrate the aforesaid good faith efforts:

- a) The Bidder/Proposer attended any pre-bid meetings that were scheduled by OSC or the NYS Department of Economic Development ("DED") or its designee to inform M/WBEs of contracting and subcontracting opportunities available on the project;
- b) The Bidder/Proposer identified economically feasible units of the project that could be contracted or subcontracted to M/WBEs in order to increase the likelihood of participation by such enterprises;
- c) The Bidder/Proposer advertised in general circulation, trade association and trade-oriented, minority and women-focused publications, if any, concerning the contracting or subcontracting opportunity;
- d) The Bidder/Proposer solicited and provided written notice to a reasonable number of M/WBEs identified from current certified lists of such business enterprises provided or maintained by the NYS Empire State Development's ("ESD") Division of Minority and Women-Owned Business Development ("DMWBD"), or its designee, of the contracting or subcontracting opportunity in sufficient time to allow the M/WBEs to participate effectively;
- e) The Bidder/Proposer followed up initial solicitations by contacting the M/WBEs to determine whether the M/WBEs were interested in such contracting or subcontracting opportunity;
- f) The Bidder/Proposer provided interested M/WBEs with adequate information about the plans, specifications, and requirements for the contracting or subcontracting opportunity;
- g) The Bidder/Proposer used the services of community organizations, contractor groups, State and federal business assistance offices and other organizations identified by DED or its designee that provide assistance in the recruitment and placement of M/WBEs; and
- h) The Bidder/Proposer negotiated in good faith with M/WBEs submitting bids, proposals, or quotations and did not, without justifiable reason, reject as unsatisfactory any bids, proposals, or quotations prepared by any M/WBE. "Good faith" negotiating means engaging in good faith discussions with M/WBEs about the nature of the work, scheduling, requirements for special equipment, opportunities for dividing of work among the bidders, proposers, and various subcontractors and the bids of the M/WBEs, including sharing with them any cost estimates from the procurement documents, if available.

I have provided information on the above as requested for (Procurement #) in Attachment A, Proposer's Certified Statements, Section 4.

APPENDIX C

OSC POLICY STATEMENT ON DISCRIMINATION AND HARASSMENT,

INCLUDING SEXUAL HARASSMENT

DISCRIMINATION AND HARASSMENT

It is the policy of the Office of the State Comptroller ("OSC") to provide a workplace that is free of discrimination and harassment based on race, color, sex (including sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender), creed or religion, age, national origin, disability, marital status, military or veteran status, predisposing genetic characteristics, domestic violence victim status or any other classification protected by state or federal law, rule or regulation or executive order.

Discrimination is defined as the failure or refusal to hire, promote, or train an individual or treat that individual equally with respect to compensation, terms, conditions or privileges of employment because of that individual's membership in any one of the above classes. Harassment based upon a person's membership in any of the above classes is included within the definition of discrimination.

In keeping with its policies, OSC reaffirms that it will not tolerate such discrimination or harassment in its workplace and that it will take appropriate action to prevent and stop the occurrence of such conduct in its workplace. OSC employees and any third parties who interact with OSC employees in the workplace are expected to avoid any behavior or conduct that could be interpreted as discrimination/harassment based on membership in any of the above classes.

Examples of conduct that may constitute harassment based upon membership in one of the above classes include, but are not limited to:

- kidding or teasing related to membership in, or characteristic of one of the above classes, such as laughing at or mimicking someone's physical or mental impairment, foreign accent, etc.;
- using ethnic or racial slurs;
- conduct that denigrates or shows hostility toward an individual because of protected class status, and that has the purpose or effect of creating an intimidating, hostile or offensive environment; and
- telling jokes that belittle a member or members of one of the above classes.

SEXUAL HARASSMENT

Sexual harassment, a form of discrimination, is defined as unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- such conduct is made either explicitly or implicitly a term or condition of employment;
- submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment, even if the complaining individual is not the intended target of the sexual harassment.

Examples of sexual harassment include, but are not limited to, sexual innuendo; suggestive comments; sexually-oriented kidding, teasing or practical jokes; jokes about gender-specific traits; jokes about sexual orientation, or perceived masculinity or femininity of individuals; foul or obscene language or gestures; display of foul, obscene or sexually suggestive printed or visual material; physical conduct such as touching or patting; sexually-oriented email or phone mail messages; suggestive or obscene letters, notes, or invitations; inappropriate discussions of a person's physical appearance; or unwelcome gifts and attention.

A perpetrator of harassment can be a superior, subordinate, co-worker or anyone in the workplace, including an independent contractor, contract worker, vendor, client, customer or visitor.

Questions about what behavior constitutes discrimination or harassment, including sexual harassment, or requests for OSC Executive Orders and policies on such matters may be directed to the OSC Division of Diversity Management at (518) 473-1368.

OSC PROCUREMENT INTEGRITY PROCEDURES

In order to ensure that procurements of goods or services⁶ by the Office of the State Comptroller (OSC) or the Common Retirement Fund (CRF) are conducted in a fair, equitable and open manner, the procedures set forth below shall apply to the procurement process.

The General Counsel to the Comptroller shall have general responsibility for the prevention of improper influence relative to all procurement contracts awarded by OSC or CRF.

A copy of these Procurement Integrity Procedures will be given to every OSC employee, consultant, or other person assigned to any task related to an OSC or CRF procurement. A copy of these procedures will be incorporated into every Request for Information (RFI), Request for Proposals (RFP) or Invitation for Bids (IFB) issued by OSC or CRF.

Any OSC employee who violates these procedures may be subject to disciplinary action, such as a reprimand, suspension, demotion, or dismissal. Any vendor who violates these procedures may, after notice and an opportunity to be heard, be determined to be a non-responsible vendor, and on the basis of such a determination may be ineligible to receive a contract award.

Every reasonable effort will be made to assure compliance with these procedures, but a minor deviation from these procedures that does not impair the fairness and integrity of the procurement process will not require the invalidation of a contract award.

- 1. OSC employees must provide every interested vendor⁷ with an equal opportunity to compete. No information may be given to one vendor without being made available to all other interested vendors. Vendors should be asked to submit every substantive question⁸ concerning the procurement in writing not later than the date specified by OSC for such questions; and a copy of each question, together with OSC's written answer, should be supplied to all interested vendors and included in the procurement record.
- 2. Unless otherwise directed by the General Counsel to the Comptroller, OSC's Assistant Comptroller for Administration or a designee will serve as the coordinator for all procurement-related contacts between OSC personnel and vendor personnel. All telephone calls, correspondence, and meeting requests must be routed to: Assistant Comptroller for Administration, Office of the State Comptroller, 110 State Street 13th Floor, Albany, NY 12236, telephone: (518) 474-7574, Fax: (518) 473-9377, Email: <u>RFP@osc.state.ny.us</u>. OSC's Assistant Comptroller for Administration, or a designee, will maintain a record of all such contacts.
- 3. A vendor may not exert or attempt to exert any improper influence⁹ relating to the vendor's bid or proposal. Any OSC employee who has direct knowledge of any improper influence or

⁶ These procedures apply to determinations by OSC or CRF to award a contract for the acquisition of any goods, services, or information technology, except that they do not apply to (i) decisions to invest or disinvest CRF assets in securities, properties, or other investment vehicles, (ii) selections of investment advisors or managers whose services are integral to the administration of CRF investments, and (iii) selection of counsel to represent the CRF in transactional, investment or litigation matters. Such CRF investment decisions and selections remain subject to the Comptroller's fiduciary responsibilities, and are to be made in a fair and equitable manner in accordance with those responsibilities.

⁷ For the purposes of these procedures, the term "interested vendor" means a person or firm that has received or requested a Request for Information (RFI), an RFP, or an IFB issued by OSC or CRF.

⁸ For the purposes of these procedures, the term "substantive question" means an inquiry concerning a material requirement of the procurement process, such as a technical specification or a financial prerequisite. The term does not apply to ministerial matters, such as the time and place or manner of submitting a bid or proposal.

⁹ For the purposes of these procedures, the term "improper influence" means any attempt to achieve preferential, unequal, or favored consideration of a bid or proposal based on considerations other than the merits of the proposal, including but not limited to, any conduct prohibited by the Ethics in Government Act, as set forth in Public Officers Law sections 73 and 74.

attempt to exert an improper influence concerning a procurement contract shall immediately make a record of the improper influence or attempted improper influence and notify the General Counsel to the Comptroller. The General Counsel to the Comptroller shall thereupon cause an investigation to be made and shall recommend such action, if any, as may be necessary.

- 4. Unless otherwise directed by the General Counsel to the Comptroller, OSC's Assistant Comptroller for Administration or a designee will be responsible for approving and scheduling all contacts between OSC employees and vendor personnel concerning procurements.
- 5. Vendors are expected to obtain information relating to an OSC or CRF procurement only from an OSC employee or other person designated by OSC. Vendors who seek information from other sources are cautioned that they rely on such information at their own risk.
- 6. Every IFB and RFP shall require vendors to identify in their bids or proposals the persons authorized to represent the vendor by name, address, telephone number, place of principal employment and occupation. This requirement applies not only to vendor employees involved in the submission of the vendor's bid or proposal but also to every individual or organization employed or designated by the vendor to attempt to influence the procurement process¹⁰. If, after submission of a bid or proposal, a vendor retains an individual or organization to attempt to influence the procurement process, then the name, address, telephone number, place of principal employment and occupation of such individual or organization shall be disclosed in writing to OSC or CRF prior to any contact with OSC or CRF and such disclosure shall be included in the procurement record. IFBs and RFPs shall require that vendors indicate in their bids or proposals or subsequent disclosures whether each contact individual or organization has a financial interest in the procurement.
- 7. All contacts between OSC personnel and vendor personnel during which a procurementrelated matter is discussed in any way must be by telephone, in writing, or in person at the place of business of OSC or the vendor or at a place designated by OSC. Written documentation of all such discussions must be filed by the Assistant Comptroller for Administration or designee in the procurement record.
- 8. During the procurement process no lunch, dinner, or other meal shall be accepted by a member of the OSC staff from an interested vendor, except that a presentation, interview or similar session occurring at the place of business of OSC or a vendor or at a place designated by OSC may include a refreshment break.
- 9. The evaluations of competing bids or proposals and the recommendations and deliberations of OSC evaluation or selection committees shall be based solely on the merits of the bids or proposals, free from any improper influence.
- 10. Prior to the public release by OSC or CRF of an Invitation for Bids (IFB) or Request for Proposals (RFP), no OSC employee may disclose the contents of any portion of an IFB or RFP to any person not employed by OSC or any other person not authorized by the Assistant Comptroller for Administration or designee unless such disclosure is specifically authorized by the Assistant Comptroller for Administration, who shall only authorize such disclosure if he or she determines that such disclosure will not impair the fairness and integrity of the procurement process.
- 11. The evaluation of competing bids or proposals shall be conducted strictly in accordance with the detailed evaluation and selection procedures documented in the procurement record prior to the initial receipt and opening of the bids or proposals. The Assistant Comptroller for Administration or a designee shall issue the detailed evaluation and selection procedures to

¹⁰ For the purposes of these procedures, the term "attempt to influence the procurement process" means any attempt to influence any determination by OSC or CRF by a person other than an OSC employee with respect to (i) the solicitation, evaluation or award of a procurement contract; or (ii) the preparation of specifications or request for submissions of bids or proposals for a procurement contract.

the members of the evaluation and selection committees prior to the distribution of the bids or proposals to the committee members for evaluation.

- 12. During the evaluation and selection phases of the procurement process, no OSC employee may disclose any part of a bid or proposal to any other person, except that (i) a member of an evaluation or selection committee may discuss a proposal with another member of the same committee, and (ii) a member of an evaluation or selection committee may disclose a proposal or a portion of a proposal to a person assigned to assist in the evaluation or selection process, as described below.
- 13. With the approval of the Assistant Comptroller for Administration or designee, evaluation or selection committees may appoint OSC employees or other experts to provide supporting services or information to assist in the evaluation of proposals and the selection of a contractor.
- 14. At the discretion of the Assistant Comptroller for Administration or a designee, any person to whom a bid or a proposal or a portion of a bid or a proposal is disclosed may be required to comply with a written non-disclosure or confidentiality agreement setting forth the terms and conditions under which such person is entrusted with the bid or proposal or portion thereof.
