Hon. Thomas P. DiNapoli
New York State Comptroller
110 State Street, 15th Floor
Albany, NY 12236

Dear Comptroller DiNapoli:

In accordance with the provisions of Section 170 of the Executive Law, the following are actions that the State Education Department (SED) has taken, or will be taking, to implement the recommendations contained in the Office of the State Comptroller's (OSC) Final Audit Report (2018-S-29) Family and Educational Consultants (FEC) - Compliance With the Reimbursable Cost Manual.

Recommendation 1:

“Review the disallowances identified by our audit and, if warranted, make the necessary adjustments to the costs reported on FEC’s CFRs and to FEC’s tuition reimbursement rates.”

SED is currently in the process of reviewing the Consolidated Fiscal Reports (CFR) and OSC audit work papers and will make necessary adjustments and recover any overpayments, as appropriate, by recalculating tuition rates.

Recommendation 2:

“Remind FEC officials of the pertinent SED requirements that relate to the deficiencies we identified.”

SED will continue to provide technical assistance whenever requested and will strongly recommend the FEC officials avail themselves of our assistance to help them better understand the rules for cost reporting and criteria for cost reimbursement as presented in the CFR, Regulation and the Reimbursable Cost Manual (RCM). Furthermore, SED will alert FEC of online training that is available on SED’s webpage. SED recommends that all individuals signing the CFR certification statements, namely the Executive Director and Certified Public Accountant, complete this training. This training is a requirement for preschool special education providers upon approval and reapproval.

Furthermore, SED will require FEC to identify the actions it has taken to cure and correct the deficiencies and/or violations identified in the audit. FEC's submission to SED must be certified by its Chief Executive Officer, with an attestation from each director, officer, trustee, and shareholder, and must contain all relevant information describing how policies, procedures and practices have been revised to address the specific findings of the audit, and how systemic changes to the internal controls and financial oversight have been implemented.

If you have any questions regarding this response, please contact James Kampf, Supervising Accountant, at (518) 474-3227.

Sincerely,
