Dear Mr. Barber:

The New York State Department of Health (Department) has reviewed the Office of the State Comptroller (OSC) Follow-up Report 2010-F-46 on Department actions relative to the recommendations contained in earlier OSC Report 2008-S-153 on "Medicaid Reimbursement of Synagis." OSC's follow-up determined that the Department has fully implemented the OSC recommendations contained in the earlier report. The Department appreciates the positive report.

Thank you for the opportunity to comment.

Sincerely,
