Mr. Donald Geary
Office of the State Comptroller
110 State Street
Albany, NY 12236

Dear Mr. Geary:

The Office of Children and Family Services (OCFS) is in receipt of the Office of the State Comptroller (OSC) audit report on the follow-up audit of the Office of Children and Family Services implementation of the recommendations contained in audit 2011-S-4, OCFS Management of Energy Consumption.

There were two recommendations in the original audit. First, "develop and implement a centralized plan to reduce energy consumption" and the second, "retain energy usage data for all OCFS facilities so reduction achievements can be measured appropriately".

OCFS agrees with the OSC determination that both recommendations have been implemented.

OCFS appreciates the opportunity to respond to this audit report. If you have any further questions or comments on this audit, please contact OCFS Audit Liaison, Ralph Timber at (518) 473-0796 or via email at Ralph.Timber@ocfs.ny.gov.

Sincerely,

James A. Conway
