Subject: Salary Increases for Certain State Officers and
Judges and Justices of the Unified Court System

Chapter 55 of the Laws of 1979 provides for increases in salary, effective October 1, 1978, for State officers whose salaries are set in Section 169 of the Executive Law, for certain other officers, and for judges and justices of the Unified Court System. A list of the officers in the Executive Branch and the new salaries is attached. New salaries for the judges and justices have been distributed by the Office of Court Administration. The increase is payable from the first day of Payroll Period 14, (September 28, 1978).

The increased salaries and the retroactive adjustment should be reported by PR-75 in Payroll Period 3 for both current incumbents and previous incumbents whose service extended beyond October 1, 1978. The retroactive adjustment is calculated at the 365 day factor (.038356) through Period 26 and at the 366 day factor (.038251) for Periods 1 and 2. Transaction code SAL INCR is used for this purpose.
