Subject Changes in New York City Resident Withholding Taxes	Bulletin No. P-379
	Date December 27, 1983

Effective in payroll checks dated January 5, 1984 for Institutions and January 11, 1984 for Administration agencies the New York City resident withholding tax surcharge will change as follows:

1. Biweekly taxable gross less than \$577.00-no surcharge will be taken.
2. Biweekly taxable gross is at least \$577.00 but less than \$769.00-a 2½% surcharge will be added to the New York City Resident tax.
3. Biweekly taxable gross of \$769.00 or greater-a 5% surcharge will be added to the New York City Resident tax.

NOTE: The taxable gross used to determine rates of surcharge does not consider deduction allowance or number of exemptions. Refer to booklet IT-2100.1 10/83 for specific instructions.

Please notify your employees of these changes and the effective date.
