

# Office of the State Comptroller PAYROLL BULLETIN

Subject Federated Fund Campaign for 1986	Bulletin No. P-445
	Date September 19, 1985

This bulletin contains instructions for processing payroll deductions for Federated Community Campaigns for deductions to begin in January, 1986.

"Payroll Deduction Authorization Cards" will be distributed with the campaign literature for the SEFA Campaign. Employees who wish to contribute through the payroll deduction plan must complete a "Payroll Deduction Authorization Card". Since there are several different card formats used by the SEFA campaigns throughout the State, employees should follow the instructions printed on the cards.

Each payroll office must review the authorization cards, before they are submitted to this office for completeness, accuracy and legibility of the following items:

1. Federated Fund Code

The federated fund must be the one that has been approved for the employee's work location by the Commissioner of General Services. Alphabetic and numeric lists of organizations approved by the Commissioner follow this bulletin. If the code is not on the card enter it in the appropriate block.

2. Amount of deduction or percentage of gross salary

The employee is to enter on the card the amount of gross salary he or she wishes to have deducted from each salary check for the calendar year, not the total amount of the pledge.

If the percentage block is used, the percentage must be shown as a whole number from 1 to 9 only, with no decimal point or fractions. (For example, 5 would be entered for 5 percent.)

3. Signature

4. Employee's agency code, line number, social security number and name\*. This information should be reported as you expect it to appear on your final payroll of 1985. However, the cards should be submitted by the dates on page 2 of this bulletin.

\*Name should be printed.

September 19, 1985

Except for employees who wish to start or change a federated fund deduction after the campaign has ended, payroll deduction Form AC-1040 is not needed. The cards have been designed to provide the Office of the State Comptroller with all the information necessary to start deductions beginning with the first payroll paid in January 1986, with no further action required on the part of the payroll agency, as long as the cards are received in OSC by the required dates. Agencies which do not submit the cards on time must submit AC-1040's for the first payroll period of 1986, and forward the deduction authorization card to the Office of the State Comptroller with a notation that an AC-1040 has been submitted.

Completed authorization cards should be received no later than the following dates:

Institution : November 22, 1985  
Administration : November 29, 1985

#### DEDUCTIONS

New employees or employees who wish to start or change a federated fund deduction after the campaign has ended, including during the contribution year, may do so by completing a new authorization card. Payroll Deduction Form AC-1040, should be completed by the payroll office, entering in Section 7, "Other", the following information:

1. The appropriate three-digit federated fund code in a "Code" block.
2. The amount or percentage of gross salary to be deducted from each salary check in the corresponding block.

NOTE: The percentage must be entered on the AC-1040 with an "X" suffix. (For example, 5X would be entered for five percent.) The maximum percentage which may be deducted is nine percent.

Submit Form AC-1040 with all other AC-1040 forms for the payroll period in which the deduction is to take effect. Forward the deduction authorization card to the Office of the State Comptroller, Bureau of Payroll Audit, Deduction Section, with a notation that an AC-1040 has been submitted.

#### CANCELLATIONS

When an employee wishes to cancel the authorization for payroll deduction, notice must be submitted to the payroll office. The payroll office should prepare a Payroll Deduction Form AC-1040 entering in Section 7, "Other", the following information:

1. Insert the appropriate three-digit code in a "Code" block.
2. Insert 0.00 in the corresponding block.

NOTE: This will cancel either the amount or percentage deduction.

Submit Form AC-1040 with all other AC-1040 forms for the payroll period. Submit the employee's cancellation notice to the Office of the State Comptroller, Bureau of Payroll Audit, Deduction Section, with a notation that an AC-1040 has been submitted.
