Federated Fund Campaign for 1988

Date

September 22, 1987

This bulletin contains instructions for processing payroll deductions for Federated Community Campaigns for deductions to begin in January, 1988.

"Pledge and Payroll Deduction for Federated Fund Contribution-SEFA Cards" will be distributed with the campaign literature for the SEFA Campaign. Instructions for completing these cards can be obtained by contacting OGS Counsel's Office at (518) 474-5607 if you have not already received them. Employees who wish to contribute through the payroll deduction plan must complete a card.

Each payroll office must review the authorization cards, before they are submitted to this office, for completeness, accuracy and legibility of the following items:

- Federated Fund Code
   The federated fund must be one that has been approved
   by the Commissioner of General Services. Alphabetic
   and numeric lists of organizations approved by the
   Commissioner follow this bulletin. If the code is
   not on the card, return it to the employee for
   completion.
- 2. Amount of deduction

  The employee is to enter on the card the amount of gross salary he or she wishes to have deducted from each salary check for the calendar year, not the total amount of the pledge.
- 3. Signature
- 4. Employee's agency code, line number, social security number and name\*. This information should be reported as you expect it to appear on your final payroll of 1987. However, the cards should be submitted by the dates on page 2 of this bulletin.

\*Name should be printed.

Except for employees who wish to start or change a federated fund deduction after the campaign has ended, payroll deduction Form AC-1040 is not needed. The cards have been designed to provide the Office of the State Comptroller with all the information necessary to start deductions beginning with the first payroll paid in January 1988, with no further action required on the part of the payroll agency, as long as the cards are received in OSC by the required dates. Agencies which do not submit the cards on time must submit AC-1040's for the first payroll period of 1988, and forward the deduction authorization card to the Office of the State Comptroller with a notation that an AC-1040 has been submitted.

Completed authorization cards should be received no later than the following dates:

Institution : November 20, 1987 Administration : November 27, 1987

#### DEDUCTIONS

New employees or employees who wish to start or change a federated fund deduction after the campaign has ended, including during the contribution year, may do so by completing a new authorization card. Payroll Deduction Form AC-1040, should be completed by the payroll office, entering in Section 7, "Other", the following information:

- The appropriate three-digit federated fund code in a "Code" Block.
- 2. The amount to be deducted from each salary check in the corresponding block.

Submit Form AC-1040 with all other AC-1040 forms for the payroll period in which the deduction is to take effect. Forward the deduction authorization card to the Office of the State Comptroller, Bureau of Payroll Audit, Deduction Section, with a notation that an AC-1040 has been submitted.

#### CANCELLATIONS

When an employee wishes to cancel the authorization for payroll deduction, notice must be submitted to the payroll office. The payroll office should prepare a Payroll Deduction Form AC-1040 entering in Section 7, "Other" the following information:

- 1. Insert the appropriate three-digit code in a "Code" Block.
- 2. Insert 0.00 in the corresponding block.

Submit Form AC-1040 with all other AC-1040 forms for the payroll period. Submit the employee's cancellation notice to the Office of the State Comptroller, Bureau of Payroll Audit, Deduction Section, with notation that an AC-1040 has been submitted.
