

Add ChartField Strings for a New Position Pool ID

The PayServ **Department Budget Table USA** is used to maintain position pool funding. Agency users can use the Department Budget Table to assign ChartField strings to new Position Pool IDs.

- To add ChartField strings to a new Position Pool ID, **Set Up HCM> Product Related> Commitment Accounting> Budget Information> Department Budget Table USA**.
- Select the Add a New Value button on the top of the page.
- Enter the **Department (1)**, **Fiscal Year (2)**, select Position Pool ID from the **Budget Level (3)** drop-down menu if not already defaulted in, and enter the new **Position Pool ID (4)**.
- Select **Add (5)**.

Earnings Distribution

Accounting Budgetary ChartFields Project ChartFields Optional ChartFields

	Distribution %	Funding End Date	Update ChartFields	Distributed		
1	100.000	8	Update ChartFields 9	<input type="checkbox"/>	<input type="button" value="+"/>	<input type="button" value="-"/>

The **Effective Date (7)** defaults to the next pay period begin date for your agency, but must be the same Effective Date used for the new Position Pool. Adjust the **Effective Date (7)** if necessary (only pay period beginning dates will be available to use).

- Set the **Distribution % (8)** - This value will must equal 100%.
- Select the **Update ChartFields (9)** hyperlink to view the ChartField Details page.
- The Chartfield Details page is displayed.

ChartField Details

The screenshot shows the 'ChartField Details' form with several sections and callouts:

- Business Unit:** A text input field containing 'DSC01' with a search icon, labeled with a red arrow and the number 10.
- Search Options:** A section with a radio button for 'Combination Codes' and a 'Search' button, labeled with a red arrow and the number 14.
- Budgetary ChartFields (11):** A table with columns: *Department, Account, *Program Code, *Fund Code, *Budget Reference. The values are: 3050206, 50101, 12762, 10050, 2024-25.
- Project ChartFields (12):** A table with columns: Business Unit PC, Project/Grant, Activity ID, Resource Type, Resource Category, Resource Sub-Category. All fields are empty.
- Optional ChartFields (13):** A table with columns: Operating Unit, Class Field, Affiliate, Fund Affiliate, Chartfield 1, Chartfield 2, Chartfield 3, Product. All fields are empty.
- Buttons:** 'Ok' and 'Cancel' buttons at the bottom, with a red arrow and the number 17 pointing to the 'Ok' button.

- Enter your **Business Unit (10)**.
- Enter the ChartField values as provided to you by your Budget or Human Resources Office:
 - The following values are required chartfields and must be entered in order to save the record.
 - **Budgetary Chartfields (11)**
 - Department
 - Account
 - Program Code
 - Fund Code
 - Budget Reference
 - **Project Chartfields (12)**
 - Business Unit PC – *Required only if using a Project /Grant*
 - Project /Grant – *Required only if using Project /Grant*
 - Activity ID – *Required only if using a Project /Grant*
 - The following values are optional chartfields and are only used for agency reporting needs.
 - **Optional Chartfields (13)**

- Operating Unit
 - Class Field
 - Affiliate
 - Fund Affiliate
 - Chartfield 1
 - Chartfield 2
 - Chartfield 3
 - Product
- Use the Lookup feature on each individual field to view available values, if needed.
 - If you do not need to look up additional valid chartfield strings, you can select **OK (17)** to continue back to the Dept Budget Earnings page.
- Use the **Search (14)** feature to lookup any other combinations that are available to use (if needed).
 - The Search Combination Codes page is displayed.
 - The below illustration is where you will be able to include any combinations of chartfield values and **Search (15)** to get a list of valid strings.
 - Select **Select (16)** next to any of the codes you would like to use and they will populate into the Chartfield Details page.
